Development One, Inc.
1611 E. 4th St. Suite 250
Santa Ana, CA 92701

Dear Mr. Chapluk:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request number GSA-2015-000888, dated June 15, 2015, in which you requested the following:

"Our company Development One, Inc., recently competed for Solicitation No. GS-07P-14-HH-D-0015. Unfortunately, we were not selected for this contract. We conducted a debriefing with Mr. David Holland, who gave us some valuable information about where our proposal fell short. We are hoping to gain some additional input into how we can better compete for future GSA contracts. To that end, we would like to know if a copy of the winning proposal can be made available via the Freedom of Information Act. Any guidance you can provide in submitting such a request would be appreciated."

Solicitation GS-07P14-HH-D-0015 will result in a total of four (4) Indefinite Delivery Indefinite Quality (IDIQ) contracts. As of the date of this response, these contracts have not been awarded. The Procurement Integrity Act (41 U.S.C. § 423 (a)), prohibits the release of "contractor bid or proposal information or source selection information before the award of a Federal agency procurement contract to which the information relates." Therefore, we are prohibited by statutory authority to release this information.

You have the right to appeal the denial of the information withheld under FOIA. To do so, you must write within 120 days of your receipt of this letter to:

U.S. General Services Administration
FOIA Requester Service Center
1800 F St. NW, Room 7308
Washington, DC 20405

Your appeal must be in writing and should contain a brief statement of the reason(s) why the withheld information should be released. Please enclose copies of your initial request and a copy of this letter. Both the appeal letter and the envelope should be marked prominently "Freedom of Information Act Appeal".

This completes our action on this request. Should you have any questions concerning this matter, please feel free to contact Ms. Ashley Morgan at (817) 978-1509 or by email at ashley.morgan@gsa.gov.

Sincerely,

Travis S. Lewis
